### Book File Details:

*Review: Williams is a philosopher philosopher. Primarily known for his work in ethics, his range is phenomenal. One minute he will make some off-hand comment on Marx, and the next an analysis of an epoch in Wittgensteins intellectual development. Anything that Williams writes is worth reading, and more than once....*

*Description: What can--and what cant--philosophy do? What are its ethical risks--and its possible rewards? How does it differ from science? In Philosophy as a Humanistic Discipline, Bernard Williams addresses these questions and presents a striking vision of philosophy as fundamentally different from science in its aims and methods even though there is still in...*
